FUNERAL

Of John Ingalls Will Take Place
at Atchison Sunday

EAST LAS VEGAS, N. M., AUGUST 10.—The remains of ex-Senator John J. Ingalls, who died this morning at the Montezuma hotel, were started for Atchison, Kansas, his late home, this afternoon, accompanied by Mrs. Ingalls and her youngest son, Sheffield. The body will be taken from the Ingalls residence to Trinity church Sunday afternoon, where Episcopal service will be read by Bishop Milspaugh. The interment at Mount Vernon will be private. No funeral sermon will be preached, and there will be nothing in the nature of a public demonstration.

The direct cause of death was bronchitis. Senator Ingalls had been growing weaker gradually for some time from inability to assimilate his food, and there were also heart complications. He had been able to sit up last evening, however, and his condition then was considered slightly better. He had made all plans to leave for Atchison, where he had expressed a wish to die, and it was intended to start not later than Saturday next.

Of the senator's last hours, Sheffield Ingalls said today:

"Father was taken suddenly worse a little after nine o'clock last evening. The medical director of the hotel informed us that my father was not likely to live until morning. I left his side at midnight and retired to my room for a short rest. My mother, whom he desired not to leave his side, came to my door about 2 o'clock this morning and told me that the end was near. Soon after he lost consciousness and passed peacefully away. He talked to us up to a half hour before he died and repeated the Lord's prayer with my mother some time before he lost consciousness. His conduct all through his illness has been one of great fortitude."

"He was anxious for the end to come as he has felt for the last six months that his life work and career of usefulness was over."

John J. Ingalls was born in Middleton, Massachusetts, December 29, 1833, and is therefore sixty-seven years old. He was graduated from Williams college in 1855, studied law and was admitted to the bar in 1857.

He came to Kansas in October 1858, and first made his home in the new town of Sumner, started a few miles south of Atchison. The town proved a failure, town shares in a few years being obtained "without money and without price, and would not command \$10 a dozen," according to one of the settlers.

In the summer of 1859, Mr. Ingalls was elected delegate from Atchison county to the Wyandotte constitutional convention being at that time in his twenty-sixth year, and he was the recognized scholar of the convention.

In 1860, Mr. Ingalls was secretary of the territorial council; in 1861 secretary of the state senate; and in 1862 state senator from Atchison county.

In September, 1863, in company with A. H. Horton, he leased the Atchison Champion, and edited the paper until the return of John A. Martin from the army, January, 1865. He was nominated for lieutenant governor by the republican union state convention of 1862-3 and as an anti-Lane candidate was defeated.

He was elected United States senator to succeed S. C. Pomeroy taking his seat March 4, 1873, and he held his seat in the senate until his overthrow by the populist party in 1890, when he was succeeded by W. A. Pepper.

The name of Senator Ingalls is thoroughly identified with the best literature of the state, and he was a frequent contributor to the old Kansas magazine. During the war, Mr. Ingalls was judge advocate and aide, with rank of major, to General George W. Dettler of the volunteer state militia, participating in the battles of Westport, Lexington and Independence during the Price raid in the fall of 1864.

He was married September 27, 1865, at Atchison to Anna Louise Chesbrough, the daughter of a prominent New York City merchant.

He was the father of seven children, six of whom are still living.

Mothers endorse it, children like it old folks use it. We refer to One Minute Cough Cure. It will quickly cure all throat and lung troubles.

fourteen. The cars are to be seventy feet long and will ride on the new improved six-wheel trucks. They will also have steel platforms and wide vestibules and will be fitted with both electric and gas lights and will be cooled with electric fans.

The interior finish of the cars will be of the finest selected mahogany of a handsome and unique design. Each car will seat thirty people at one time instead of twenty-four as in all the other cars in the service.

KEEP YOUR BLOOD CLEAN

SOUTHAMPTON, L. I., AUGUST 16.—The tranquility of this summer resort was broken by the announcement that Cardinal Gibbons would celebrate mass this morning at the Sacred Heart of which the Rev. Dr. Kerby, an old friend of Cardinal Gibbons is the pastor. The hour set for the commencement of the mass 10:30 a. m. For fully an hour previous to that time there was a steady stream of vehicles to the handsome little church which occupies a commanding site on the top of a hill, overlooking the sound, while any who are staying near the church made the journey on foot.

At the time of the commencement of the services, despite the intense heat, the church was crowded and nearly two hundred were compelled to stand outside the edifice. Cardinal Gibbons, after the conscription, ascended the pulpit and delivered a sermon on the Gospel of the day, taking for the text St. Luke, xviii, 9-14. After dwelling on the fruits of the Gospel he alluded to the Chinese trouble. He said:

"The noble stand made by the missionaries and their native converts have taken for the cause of Christianity in China are equal to the tortures and sacrifices made by the followers of Christ in the early centuries. This is evidence, despite the assertion of a number of modern day theorists that Christianity is not declining."

"Our government is pursuing the proper course and although the massacres in China are deplorable in this enlightened age, we must forgive the heathen for they know not what they do."

The wolf in the fable put on sheep's clothing because if he traveled on his own reputation he couldn't accomplish his purpose. Counterfeiters of DeWitt's Witch Hazel Salve couldn't sell their worthless salves on their merits so they put them in boxes and wrappers like DeWitt's. Look out for them. It cures piles and all skin diseases.

LONDON, AUGUST 17.—A youth about about 20 years old, was arrested at Leipzig yesterday according to a special message for Berlin who admits having conspired to kill King Albert of Saxony. He says that he was appointed by lot to perform the deed but that his courage failed him.

His identity has not yet been established. A dagger and a loaded revolver were found on his person.

You will never find any other pills so prompt and soporific as DeWitt's Little Early Riser.

GOLD FIELD, COL., AUGUST 16.—Aldermen Thomas J. Allen and Eric Smith have been arrested on a warrant charging them with soliciting and receiving a bribe of \$500 each to vote for the Colorado Spring and Cripple Creek railway. The warrant was issued on an affidavit made by James K. Palmer. The aldermen were released on bonds.

In India, the land of famine, thousands die because they cannot obtain food. In America, the land of plenty, many suffer and die because they cannot digest the food they eat. Kodol Dyspepsia Cure digests what you eat instantly relieves and radically cures all stomach troubles.

JEFFERSON, CITY, MO., AUGUST 16.—Acting Governor Bolte today appointed Jose E. Eugenio Marx commissioner of deeds for the island of Cuba. The appointment was made in the recommendation of Major General Leonard Wood, military governor of Cuba.

Millions will be spent in politics this year. We can't keep the campaign going without money any more than we can keep the body vigorous without food. Dyspepsia used to starve themselves. Now Kodol Dyspepsia Cure digests what you eat and allows you to eat all the good food you want. It radically cures stomach troubles.

CHICAGO, AUGUST 16.—John W. Woolley, prohibition candidate for the presidency will leave here tomorrow for Pennsylvania where he will address five large assemblies. Returning to Illinois next week, he will leave on a tour of the Pacific states. His special train itinerary will begin September 19. In the party will be Mr. Woolley, Henry Metcalf, vice presidential candidate; Volney Cushing of Maine; Samuel Dickie of Michigan; Oliver W. Stuart of Chicago. The first run will be made over the Burlington through Illinois, and Iowa, speeches being made wherever possible. Later many other states will be toured. Much of the speaking will be done from the rear platform of the Pullman car.

MARKETS

CHICAGO, AUGUST 16.—CORN—Was again the attractive market to the board of trade speculators today. Feeling was nervous to a degree, but strength was shown, due more to a paucity of offerings than to any activity in the demand. The small stock about 100,000 bushels and the supposed light reserve in farmer's hands were the main subjects of conversations among the traders. There was also some talk of a squeeze in September. Kansas reported very hot weather and subsequent damages. Receipts were 168 cars. September opened 3/4 at 3/4 cents higher at 37 1/2 cents to 39 1/2 cents, and sold early to 39 1/2 cents.

WHEAT—Was dull and heavy early. The pit was half deserted and scarcely any business was done except in a small way. Some of the bull leaders made an attempt to hold the market but abandoned their position in the face of selling orders from the outside.
